

Nudges

“The greatest unfoldment comes not through the books, discourses, or talks that happen on the outer side, in the physical world. The greatest unfoldment happens on the inner planes, in your dream worlds, through your intuition, through nudges . . .”

—Sri Harold Klemp,
How to Survive Spiritually in Our Times, p. 81

Dreams, Waking Dreams, and Nudges: Discover Your Inner Guidance

2019 Kentucky ECK Regional Seminar May 25–26, 2019

Louisville Marriott East, 1903 Embassy Square Blvd.

Dreams and Waking Dreams

“Everyone knows about sleeping dreams. You go to sleep, something happens, you wake up, and you say, ‘What a dream!’”

A waking dream is different. It’s something that happens in everyday life. It’s a parallel. Something about a common, everyday event that stands out and brings things into focus for you. You say, ‘You know, that answers a question I had.’”

—Sri Harold Klemp,
The Road to Spiritual Freedom, p. 5

Dan Sailer,
Guest Speaker

Dan read his first Eckankar book as a teenager, so has experienced, since his youth, how the ECK teachings can transform our lives into a daily spiritual adventure. Dan says we need only certain tools, such as the spiritual exercises, to unlock our inner guidance to help us understand our dreams, waking dreams, and nudges. Dan has given talks and workshops on Eckankar internationally and has worked at the Eckankar Spiritual Center. He currently serves as RESA (Regional ECK Spiritual Aide) for Tennessee.
